# Youth Rowing

## YOUTH ROWING

Rowing on a team is a great experience! A sense of accomplishment and pride are gained as youth work to meet the physical and mental challenges of the sport of rowing. The class is open to boys and girls ages 13-18 and in grades 8-12. Classes teach the basic fundamentals of the stroke as well as boat handling, water safety, and care of equipment. All classes are 2 hours and are geared towards competitive rowing.

Registration for Spring is due by **5:00pm on Wednesday, January 11** with returning rowers given priority until that date. A lottery system will be used if enrollment exceeds capacity on **January 11**. Occasional additional practices may be scheduled. There will be **no crew on February 20**. Mail-in and walk-in registrations only prior to January 27, after which time phone-in registration will **also** be accepted, if space is still available.

The cost of this program also covers one local regatta; there are several additional regattas that everyone will attend, for which fees will be assessed separately. Low income scholarships and/or discounts are available; please pick up an application form from the office.

If your athlete started rowing after June 1, 2005, register him/her in the Novice program. Attendance is required for all Novices the first two weeks of practice.

# SEATTLE CANOE CLUB

Join the fun at Green Lake's Seattle Canoe and Kayak Club. The club's primary focus historically has been Olympic flatwater kayak and canoe racing but there's much more than that available at Seattle's best kept secret. Whether you want to make the next Olympic Team, photograph birds from the quiet comfort of a canoe, get in shape or stay in shape, the Seattle Canoe and Kayak Club has what you need. With everything from sea kayaking to marathon canoeing, and with the strongest youth Olympic Development program on the west coast, the Club is a perfect place for family fun or for adults wanting to meet others who love to kayak and canoe. Membership is not required for classes with fees listed.

Club membership is open to the general public, and allows access to the canoes and kayaks owned by the Club for use on Green Lake. Current float tests are required. For more information, including registration fees and membership instructions, see page 13.

## FREE FUN PADDLE

The Seattle Canoe Club sponsors informal fun time trials the first Tuesday evening of the month, April 4 through September 5, at 6:00pm. This program is open to the general public free of charge.

Prior to participation you need to complete a float test and sign a risk and release form. The float test may be completed at a city pool or by a certified lifeguard.

Come down and see how the Club works, and what it has to offer *you*!

## Adult Training Group

Every Tuesday and Thursday evening, no matter what blend of rain, sleet, or wind, a dedicated group of adult paddlers enjoys a workout. Club membership is required to participate, but you don't need to have prior experience to join in, do well, and have fun. Training boats are used if necessary, but you'll also be paired in team boats with more experienced paddlers in order to advance more quickly.

Racing is not required, but opportunities will be available to represent the Seattle Canoe and Kayak Club at races around the Northwest.

# Kayaking continued

## Membership Information: Seattle Canoe & Kayak Club

The Seattle Canoe & Kayak Club offers both competitive and recreational activities for flatwater canoeists and kayakers. Membership gives paddlers access to Club equipment for use on Green Lake and, through a check-out process, for use on local lakes and rivers. The Club has over 40 boats, including sea kayaks, Olympic style racing kayaks, recreational canoes, and Marathon canoes.

Paddling classes for the general public are taught at Green Lake by qualified instructors, and Club members are permitted to enroll in these classes free of charge if space permits.

The Club sponsors competitive races in the Seattle area that attract racers from all over the region. The Annual Ted Houk Memorial Regatta offers flatwater sprint racing, and is held on Green Lake in June of each year. The Club also sponsors casual time-trials on Green Lake the first Tuesday evening of the month from April to September.

Club meetings are held the first Tuesday of each month, and members are welcome to attend. The Club is a volunteer organization and relies on the membership to help organize races and social events, and to help keep the boathouse and boats in good repair. Club members are encouraged to volunteer for these activities.

### Types of memberships:

1. **Governing Membership** -- For all persons 18 years of age and older. It entitles the individual to all privileges of membership, including the use of all Club equipment, the right to vote, hold office, and possess a key to the boathouse. A current float test and signed risk and release form are required.
2. **Family Membership** -- For persons living in the same household as a family unit. Individuals 18 years of age and older have all the rights of the individual governing membership. Family members under the age of 18 years of age do not have the right to vote, hold office, or possess a key to the boathouse; they must have a current float test and a risk and release form signed by a parent/guardian.
3. **Associate Membership** -- For persons who support the mission of the Seattle Canoe & Kayak Club, but don't actually plan on paddling! It entitles the individual to vote at Club meetings and hold office.

Memberships are annual and expire December 31st of the year. The fee structure:

Governing:	<b>\$130.00</b> per year
Family:	<b>\$130.00</b> per year, plus <b>\$45.00</b> for each additional adult, <b>\$25.00</b> for each child.
Associate:	<b>\$15.00</b>
KEY:	<b>\$10.00</b> each (refundable when membership is terminated and key is returned)

**To join the club:** Please fill out the registration form on [page 15](#) of this brochure (the Class Number is **0001.C** for all memberships, and **0002.C** for your key deposit), list each person joining, obtain necessary signatures, and send with completed float tests and payment to the address at the top of the form. The Membership Chairperson for the Club will schedule an orientation session.

# Policies and Procedures

## Non-discrimination

As a matter of policy, law, and commitment, Seattle Parks and Recreation does not discriminate on the basis of race, color, sex, marital status, sexual orientation, political ideology, age, creed, religion, ancestry, national origin or presence of any sensory, mental or physical handicap. (Seattle Municipal code 18.12.280).

## Fees and Charges

Our Advisory Councils provide the programs and activities listed in this brochure under an agreement with Seattle Parks and Recreation. Fees collected by the Advisory Councils are used to offset the cost of providing the programs. Program charges include user fees of \$1.50 per hour of instruction for adults, and \$0.70 per class hour for youth and senior adults, paid to Seattle Parks and Recreation to defray operating costs. Seattle Canoe Club user fees are annual; sprint team fees are monthly.

As Advisory Council activities are self-sustaining, we rely heavily on program participation, donations, and contributions to buy, repair, maintain, and upgrade program equipment and supplies.

## Payment

You can pay for classes by mail, in person during office hours, or by telephone with a credit card. We accept Visa, MasterCard, and American Express. Payment is due when you register. If your check is returned for insufficient funds, your registration will be cancelled until you pay the amount due, plus a \$20 fee.

## ADA Compliance

We will make reasonable accommodation, upon request, for people with disabilities. For sign language interpretation, auxiliary aids, or other accommodation, please call 206-615-0140 or TDD 206-223-7061. If possible, please allow ten working days advance notice.

## Special Populations

For information on programs for youth/adults with disabilities, please call the Special Populations Office at 206-684-4950, or visit the web at <http://www.cityofseattle.net/parks/SpecialPops/index.htm>.

## Scholarships

Our advisory councils want to ensure that our activities, classes, and sports are available to everyone, regardless of their ability to pay. Scholarships or low income rates are offered for most youth programs and some adult programs. Scholarships are limited to specific programs and are granted based on financial need. For further information or an application, please call us at 206-684-4074!

## Refunds

It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- Anyone who registers for a day camp, trip, overnight camp, special event, or facility rental, and who requests a refund 14 days or more before its start (or before the second session of a class), may receive a refund minus a 10% or \$5 service charge, whichever is greater.
